25X1 5. [] Accompanied [] OSR, to meet and brief Senator Henry M. Jackson on Soviet ICBM deployment, etc. [] is doing a Memo for the Record covering the substance of the briefing.) Other points covered included the following: (a) Senator Jackson's keen interest in the recent developments in Soviet diplomatic, political and disarmament strategy. I told him the Agency was concentrating on this problem and we would be glad to make available to him any conclusions we develop. (b) Jackson plans to get together some Kremlinologists such as Phil Mosely, Tom Wolff and Alice Shieh to discuss possible Soviet concepts on disarmament in informal fashion in the near future and might like to have an Agency representative join them. (c) Jackson feels there is little we can do to influence Senator Ervin's position on S. 1035. We briefed Senator Jackson on current items including: (a) new Soviet attack submarine (B Class) appearing in the Far East; (b) Soviet troops remaining in Czechoslovakia; (c) status of Czech-Soviet relations; and (d) Soviets deploying mobile missile launchers on the Chinese border.

25X1 7. [] At his request, met with Mr. William Darden, Senate Armed Services Committee staff, who said that Senator Symington's office had been in touch with him requesting additional data on the production and deployment of various Soviet aircraft. Darden asked if we would pull this information together and return it to him or provide it to Senator Symington directly.

9. [] Charles Kirbow, on the staff of the Senate Armed Services Committee, said that Senator Pearson plans to travel to the Middle East leaving on or about 12 August and will probably ask the Agency for a background briefing prior to his departure. Kirbow said that it is quite likely Senator Griffin will make this trip with Senator Pearson. Kirbow plans to accompany Senator Pearson and will be in touch with us when he has had an opportunity to discuss this further with Senator Pearson.
